When you walk it looks like an angel fly
Let me walk with you, yeah, let's feel high
Geraldine, good lookin' lady
Geraldine - sweetest girl I've ever seen
Yeah, I love you, babe
Yeah, sweet Geraldine

Don't you really know what you mean to me
Without you, little girl, I cannot be
Geraldine, good lookin' lady
Geraldine - sweetest girl I've ever seen
Yeah, I love you, babe
Yeah, sweet Geraldine

You've got such a lovely pair of eyes
Which makes a man unable to know your lies
Geraldine, good lookin' lady
Geraldine - sweetest girl I've ever seen
Yeah, I love you, babe
Yeah, sweet Geraldine

Sweetest girl I've ever seen
Yeah, I love you, babe
Yeah, sweet Geraldine
