[VERSE A]

Iâ€™m all alone, I hear your voice calling to me  
Now got to work and keep my mind off of you and me  
You gotta let me know, gotta let it show that I can be  
your girl, and that you want me  
â€™Cause you are on my mind almost all the time, you  
dominate my world and you conquer me

[CHORUS]

Youâ€™re not alone, I always dream of loving you  
â€™Cause you are the one, the only one I ever knew  
Youâ€™re not alone, I dream of making love to you  
And if youâ€™re alone, you know that Iâ€™ll be there for  
you

[VERSE B]

Try, Iâ€™ll try hard to make it work, just you wait and see  
Words are just words except the ones that you say to  
me  
Youâ€™re the only one, youâ€™re my morning sun, I want  
to be with you, wonâ€™t you be with me  
My love is for you, no one else will do, itâ€™s all because  
of you that I feel so free

[CHORUS]

Youâ€™re not alone, I always dream of loving you  
â€™Cause you are the one, the only one I ever knew  
Youâ€™re not alone, I dream of making love to you  
And if youâ€™re alone, you know that Iâ€™ll be there for  
you

[BRIDGE]

Baby when Iâ€™m alone I dream of you  
You know that Iâ€™ll be right there for you  
Baby when Iâ€™m alone Iâ€™ll be dreaming of you  
â€™Cause no one else will ever do

(Instrumental)

Groove up, groove down  
Groove up, groove down  
Just groove it all around

[CHORUS]

You're not alone, I always dream of loving you  
'Cause you are the one, the only one I ever knew  
You're not alone, I dream of making love to you  
And if you're alone, you know that I'll be there for  
you

You know that I'll be there for you
