Fight girl
Against the "night girl"
Fight boy
Against the "do or die boy"

Love, love.
Is like a white dove
Sunlight reveals it all

We cannot be automatic, robotic in a desolate world
Breathe. Breathe...so dramatic. Robotic in a desolate
world

Loco
Amnesia episodes
Endrogado
And trying to feel so-so

We cannot be automatic, robotic in a desolate world
Breathe. Breathe...so dramatic. Robotic in a desolate
world
breathe breathe breathe...
