I thought that I could life without you.  
Looking high and low for replicas of you.  
Beautiful magnetism, beating the odds.  
Displaying much intention, I smile.  
Sitting peacefully for more than a while.  
Iâ€™m circulating in a place with your love.

So good. The story cannot end until itâ€™s you and me.  
Iâ€™ll stay. Iâ€™ll stay.

Always in my mind. I wonder.  
Always in my mind.

Yes I do not I donâ€™tâ€¦oh I donâ€™t know.  
Iâ€™m still recovering from 3 0â€™clock shadows  
Your resonation is ringing in my brain  
The city lights are shining its wonder  
The underdog is used to being under  
Even though Iâ€™m low you say Iâ€™m valuable
