Each time the telephone rings
I act like I'm okay
Wonder what I might say
But it don't mean a thing

Every day I drive on by
Wanna say so much to you
I just hide what can I do
But it don't mean a thing

You don't mean much to me these days
You don't mean much

I cried when you left me all alone
And the night that you turned off your phone
But you don't mean anything to me
You were gone it was three minutes past ten
So alone don't remember much since then
But you don't mean anything to me

Saw you with a guy today
And you said he was your friend
Then a kiss and it begins
But it don't mean a thing

Seems just like yesterday
You said you'd always stay
But it didn't end up that way
It don't mean a thing

You don't mean much to me these days
You don't mean much

I cried when you left me all alone
And the night that you turned off your phone
But you don't mean anything to me
You were gone it was three minutes past ten
So alone don't remember much since then
But you don't mean anything to me

And you know yes I've heard it all before

Let it go the writing's on the wall
Don't seem to take the pain away

I cried when you left me all alone
And the night that you turned off your phone
But you don't mean anything to me
You were gone it was three minutes past ten
So alone dfon't remember much since then
But you don't mean anything to me

You don't mean anything
You don't mean anything to me
