I know this ain't who I am  
And you thought you'd never see me again  
I got nowhere to go  
Cos tonight the bars are all closed

Give me one shot  
Just one more chance  
You've got no reason  
To believe me again  
I've spend so long  
Just hating myself  
Laying the blame  
On somebody else  
Time after time  
Drink after drink  
Telling myself that tomorrow  
I'm gonna do the next right thing

I tried to beat this alone  
The truth is that I'm not that strong  
If I have just one prayer left  
Is that you ain't giving up on me yet

Give me one shot  
Just one more chance  
You've got no reason  
To believe me again

I've spend so long  
Just hating myself  
Laying the blame  
On somebody else  
Time after time  
Drink after drink  
Telling myself that tomorrow  
I'm gonna do the next right thing

I know it's wrong  
To stumble in here  
Looking a mess  
Living insane

It's not hard to tell  
I need your help  
Oh God

Give me one shot  
Just one more chance  
You've got no reason  
To believe me again  
I've spend so long  
Just hating myself  
Laying the blame  
On somebody else  
Time after time  
Drink after drink  
Telling myself that tomorrow  
I'm gonna do the next right thing
