Baby it Takes Two

1. Iâ€™m done with trying

Done with crying

Teardrops make a river where they fall

Iâ€™m through complaining

Itâ€™s all in vain when

I might as well go tell it to the wall

Chorus

Baby it takes two

Two hearts were meant for loving

Two arms were meant for loving

It takes two

What more can I do?

We could make it last forever

If we worked at it together, me and you

Baby it takes two

2. A love so mellow

Become quite hollow

A single glass is lying on the floor

Once full a plenty

Now drained quite empty

I havenâ€™t got the strength to reach for more

Chorus
