Billy

Ruby Paul Original

Never again I say never again

I took you back once, won't forgive you again

Oh Billy, you deceived me

Never again, I say never again

I trusted you once I won't trust you again

Oh Billy, you betrayed me

CHORUS All the fun we had

All the friends we shared

All the love I gave

You just threw it all away

And it's never again I say never again

I won't be a fool for your loving again

Oh Billy

Never again I say never again

My life is in rags, torn apart at the seams

Oh Billy

You deceived me

Never again I say never again

I gave you my heart, leave me all that remains

Oh Billy

It's like you've robbed me

CHORUS All the fun we had

All the friends we shared

All the love I gave

You just threw it all away

And it's never again I say never again

I won't be a fool for your loving again

Oh Billy

You tell me that you love me, Billy

Tell me you still want me, Billy

Take the pleading look out of your eyes

I tell you that it's over, Billy

We can go no further, Billy

Nothing you can say will change my mind...

CHORUS All the fun we had

All the friends we shared

All the love I gave

You just threw it all away

And it's never again I say never again  
I won't be a fool for your loving again  
Oh Billy  
DON'T KISS ME... EVER AGAIN
