Jubilee

(Ruby Paul kid's song)

I remember, I remember well

When I was just a kid at Hob Moor School

Playing football, in the junior yard

Letting off steam when we'd been working hard

Those memories in so many ways

Still seem like yesterday

But twenty years have come and gone

Now I'm coming back to say

It's a JUBILEE, a JUBILEE

We're celebrating a JUBILEE

We're looking back on all our memories

At Hob Moor Community Primary

It's a JUBILEE, a JUBILEE

A celebration for you and me

Why don't you clap your hands and sing along

And we'll all join together for the JUBILEE SONG

Remember walking in a crocodile

Lining up for dinner in single file

Writing stories and learning maths

Picking daisies on the summer grass

Those happy days in so many ways

Still seem like yesterday

But twenty years have come and gone

That's why we'll celebrate today

It's a JUBILEE, a JUBILEE

We're celebrating a JUBILEE

We're looking back on all our memories

At Hob Moor Community Primary

It's a JUBILEE, a JUBILEE

A celebration for you and me

Why don't you clap your hands and sing along

And we'll all join together for the JUBILEE SONG

Let's remember all the children

Of today and yesterday

Let's be proud of how they've grown up strong

Through all their work and play

It's a JUBILEE, a JUBILEE

We're celebrating a JUBILEE

We're looking back on all our memories

At Hob Moor Community Primary  
It's a JUBILEE, a JUBILEE  
A celebration for you and me  
Why don't you clap your hands and sing along  
And we'll all join together for the JUBILEE SONG
