Miracle Baby

Through all of those nine long months

We waited in such suspense

We longed for the first embrace

To hold you and keep you safe

Now we look at what we've made

How our wonder grows

The softness of your newborn skin

Your tiny little toes

CHORUS

Miracle Baby, that's what we'll call you

Miracle Baby, how we adore you

For daddy and mummy, it's like a dream come true

The miracle of you

Through all of those long, long years

I faced all my darkest fears

So many times we tried

So many times I cried

Through the tunnel long and dark

We could only sigh

'Til like the brightest shaft of light

There came your newborn cry

CHORUS

Miracle Baby, that's what we'll call you

Miracle Baby, how we adore you

For daddy and mummy, it's like a dream come true

The miracle of you

We never dreamed that loving you would bring us so
much joy

This little bundle in our arms, a tiny girl or boy

CHORUS

Miracle Baby, that's what we'll call you

Miracle Baby, how we adore you

For daddy and mummy, it's like a dream come true

The miracle of you
