MIRROR MIRROR

Ruby Paul Original

Stockings in ladders, my hair hangs in tatters  
Iâ€™ve chipped all my nail polish, scuffed my best shoes  
I canâ€™t be late, what a worry, quarter to eight, better  
hurry  
I just donâ€™t know where the hell to begin

Mirror Mirror, tell me what you see  
I see a girl, that girl is me  
Mirror, Iâ€™m as anxious as can be  
And I feel like the worldâ€™s come crashing down on me  
Mirror. Mirror, I feel such a fright  
And Iâ€™m going out with him tonight  
Donâ€™t worry, honey, it will be alright  
Weâ€™ll get you looking so beautiful

Spilt all my coffee  
Canâ€™t find my best jewellery  
Got dirt in my fingernails  
Spots on my chin  
This needs a shake up  
Iâ€™m gonna reach for my make up  
I guess Iâ€™ll just do the best job that I can

These two red lips tell the sad story of the loves Iâ€™ve  
lost and found  
But then a voice speaks from the mirror, saying this  
time,  
love wonâ€™t let you down  
Take extra care combing down my brown hair  
Put some black on my lashes and gold round the lids  
Two eyes of green smiling right back at me  
Oh, the girl in the mirror is beautiful

Mirror Mirror, tell me what you see  
I see a girl, that girl is me  
Mirror, Iâ€™m as anxious as can be  
And I feel like the worldâ€™s come crashing down on me  
Mirror. Mirror, I feel such a fright  
And Iâ€™m going out with him tonight  
Donâ€™t worry, honey, it will be alright

Cos you' re looking so beautiful
