PRECIOUS CARGO

1. It's an unfamiliar journey
I've never been this way before
Like a boat without an anchor
I'm just drifting from the shore
And tiny wings are fluttering
It feels like butterflies
Our baby dear, will soon be here
And I need your strong hands by my side

CHORUS

We'll sail the ocean
Through waters wide and deep
We'll make the journey
Wherever it may lead
We'll sail together
And never feel alone
We'll bring this precious cargo
Safely home

2. Look at all the other people
Waving from the shore
Wishing luck to both of us
They can't help any more
Far out to sea just you and me
We're sailing far from land
In a few weeks more, we'll reach the shore
Bring our baby home, just like we planned

CHORUS

We'll sail the ocean
Through waters wide and deep
We'll make the journey
Wherever it may lead
We'll sail together
And never feel alone
We'll bring this precious cargo
Safely home
This cargo is so special
It's gonna need all our care
And the journey will be so much better

If this precious load is one we share

CHORUS

Weâ€™ll sail the ocean
Through waters wide and deep
Weâ€™ll make the journey
Wherever it may lead
Weâ€™ll sail together
And never feel alone
Weâ€™ll bring this precious cargo
Safely home
