Shaking like a Leaf

Every time I speak, I start to stutter

Never felt embarrassment like this

The things I long to say IÂ'll never utter,

The words I meant are dying on my lips

CHORUS

Shaking like a leaf on a tree

Bending like a branch in the breeze

Every time youÂ're near me, I freeze

Shaking like a leaf

Suddenly my senses grow numb

I become all fingers and thumbs

I canÂ't speak, shaking like a leaf, shaking like a leaf

I am feeling sick with the emotion

If only I could speak to tell you how

When youÂ're near you send my senses reeling

But I could never dare to let you know

CHORUS
