Shiny New Shoes

Standing in the mall feeling six feet tall
Got my carrier bagsÂ...
Tucked under my arm, just can't wait to get them
home
Gonna look like a real PrincessÂ...
When I wear that gold dress with those high heeled
shoes
It's gonna turn my life around,
gonna make me feel like newÂ...

CHORUS

Got me a pair of Shiny New Shoes
Black patent leather with high kicking heels
Rosy red toenails come peeping through
Now I've found my feet, I'm gonna walk out on you
Standing in the hall only thirty years old
Thinking where has life gone
Sick of making do with a worn out shoe
And that worn out bit of love you thought would do
I can't wait to make you gasp when you see me kick
ass-
Baby, here I go, you know I got the last laugh

CHORUS

BRIDGE

Pull on the straps and fasten tight
Shiny shoes can dance all night
Swing my hips and move my feet
Stay on the dance floor, feel the heat
Ooh, OohÂ... I know I deserve me a better man,
Someone to take me in his armsÂ...
and really love this womanÂ...

CHORUS
