Together For Christmas

Kisses underneath the mistletoe
Tinsel on a tree
Christmas songs of Santa
Bringing gifts for you and me
The coloured lights all twinkle
And the sleigh bells start to ring
When we're together for Christmas

CHORUS

Together for Christmas
With friends and family
Together for Christmas
All around the Christmas tree
Together for Christmas
With fun and games to play
We'll drink a toast to Christmas
And the New Year on it's way

We'll count the dark December days
'Til we get to twenty-four
Then just above the fire
We'll hang our stockings on the wall
We're so excited we can't wait
'Til Santa comes to call
When we're together for Christmas

CHORUS----- (Together... '... '... '... '...)
