We Can't Wait For Easter Eggs
Ruby Paul original

We don't want candy in a jar
We don't want chocolate in a bar
We don't want jellies, don't want sweets
We just want an Easter treat

Easter eggs, easter eggs
A perfect treat for hungry kids
We can't wait for easter eggs
Yummy, yummy, yummy, yummy
Easter eggs

They're shaped just like a perfect egg
Filled with air or sweets instead
They're never round and never square
They're good to eat and good to share

They're wrapped in shiny paper
Of silver, gold and red
And boxed in different sizes
Small, medium and big!

Easter eggs, easter eggs
A perfect treat for hungry kids
We can't wait for easter eggs
Yummy, yummy, yummy, yummy
Easter eggs
