With This Ring
(Ruby Paul Original)

One by one I pick the petals
They float down in the breeze
Â'Til my love and I are married
IÂ've been counting down the days

WITH THIS RING
IÂ'll make a promise
WITH THIS RING
I will be true
Slip the gold around my finger
IÂ'll treasure you
WITH THIS RING
You will remind me
Of the happiness you bring
As I look down at my finger
IÂ'll remember you
WITH THIS RING

Like a picture in a locket
A candle in the dark
Shiny coin deep in my pocket
You are in my heart

WITH THIS RING
IÂ'll make a promise
WITH THIS RING
I will be true
Slip the gold around my finger
IÂ'll treasure you
WITH THIS RING
You will remind me
Of the happiness you bring
As I look down at my finger
IÂ'll remember you
WITH THIS RING

Â...How time has flownÂ...
Â...since we first beganÂ...
Â...Like a bright shining sunÂ...

Â...I knew you were the oneÂ...

WITH THIS RING
IÂ'll make a promise
WITH THIS RING
I will be true
Slip the gold around my finger
IÂ'll treasure you
WITH THIS RING
You will remind me
Of the happiness you bring
As I look down at my finger
IÂ'll remember you
IÂ'll remember you
IÂ'll remember you
WITH THIS RING
