You've Stolen my Heart

1. Grapefruits and oranges in the pictures on the wall

Old keys and photographs on the table in the hall

Remember as you walk away

You can't leave it all behind

When you look back at what you took

You'll be surprised at what you'll find

CHORUS

You've stolen my heart, stolen my heart

I just closed my eyes and you crept inside

Like a thief in the dark

You've stolen my heart, stolen my heart

You're playing pretend, if you think it can end

Now you've stolen my heart

2. Clean shirts and underwear in the suitcase that you took

Wipe away the memories as you start another book

Remember as you walk away

You can't leave it all behind

When you look back at what you took

You'll be surprised at what you'll find

Chorus

You took more than you bargained for... took the biggest part of me...

However far you try to stray... I will never set you free...

CHORUS

You've stolen my heart, stolen my heart

I just closed my eyes and you crept inside

Like a thief in the dark

You've stolen my heart, stolen my heart

You're playing pretend, if you think it can end

Now you've stolen my heart
