### Chorus 1:

Should we stop (stop)  
Falling from the ground (falling from the ground)  
Should we drop (drop)  
Our hands down from the clouds (hands down from the clouds)  
do we want (want)  
To forget about the days (forget about the days)  
And be lost (lost)  
For the turn of all the way

### Verse 1:

Now I have to rumage for the ways  
To feel for me to feel a little complete  
Warn at with my werie eyes  
And what I see I dont like what I see

### Chorus 2:

You dont want to Strive  
Walk away (run)  
Futher that you are  
Walk away (run)  
Futher than you Strive  
Walk away (run)  
Futher than you are  
Walk away (run)  
Futher than you Strive

### Verse 2:

Driving towards the simple life  
Its leading me down a one way street  
And when I cross the double lines  
I dont think that I can pull every once I am

You dont want to Strive  
Walk away (run)  
Futher that you are  
Walk away (run)

Futher than you Strive  
Walk away (run)  
Futher than you are  
Walk away (run)  
Futher than you Stop

Stop falling from the ground (falling from the ground)  
Should we drop (drop)  
Our hands down from the clouds (hands down from the clouds)  
Do we want (want)  
To forget about the days (forget about the days)  
And be lost (lost)  
For the turn of all the way

Thats when were on the point of giving up on what we  
call reality and what we call life, a realize that time we  
have here on earth is so valuable and could be  
priceless to the hearts of others STRIVE.

Should we stop (stop)  
Falling from the ground (falling from the ground)  
Should we drop (drop)  
Our hands down from the clouds (hands down from the clouds)
