Oh my god I can't believe
Oh I can't wait to get her here
She's the girl i dreamed about
and she's who makes me wanna live

every time I see her
I feel that I fly away
Girl,
I love you so much girl
(so much girl)
It's you and your love and
nothin' more
what I was lookin' for
(Lookin' for)

Solo

Oh girl, your eyes of paradise
took me to the happiest of my life
Oh girl don't make me wait this time
Kiss me and I'll never say good bye

every time I see her
I feel that I fly away
Girl,
I love you so much girl
(so much girl)
It's you and your love and
nothin' more
what I was lookin' for
(Lookin' for)
