I'm blown away  
This life of faith  
Is filled with endless blessing  
And yet sometimes I wake to find  
I'm facing trials and testing

Even in the moments when I'm falling to my knees  
I find that help is waiting for me

(Chorus:)  
Any desperate day  
One word I can pray  
All I know to say  
Jesus  
Screaming from my soul  
I'm giving up control  
The only hope I know  
Jesus

All my concerns  
My deepest hurt  
My Saviour's been where I am  
Life comes undone  
And there's no one  
Who understands like he can

So even when I stumble and my world is torn apart  
There is one whose holding my heart

(Chorus)

My God hears  
And He comes near

(Chorus)  
(Chorus)
