This world will try to shut me down
Push and shove me to the ground but I
I been covered by the blood of Christ
I am His and He is mine

May be hated but this ain't my town
Persecuted constantly beat down
But there's a joy in the suffering
Cause He is my identity
I'm not of this world

I'm a stranger in this land
There's a narrow road ahead
No matter what comes my way
I'll be okay, okay, okay
I will keep my eyes on You
Knowing You will see me through
No matter what comes my way
I'll be okay, okay, okay
Cause You got me in Your hand
Cause You got me in Your hand

It's always darkest before the dawn
But I can see the rising sun as it
Shines bright of what's to come
My hope will never be undone
I'm not of this world

I'm a stranger in this land
There's a narrow road ahead
No matter what comes my way
I'll be okay, okay, okay
I will keep my eyes on You
Knowing You will see me through
No matter what comes my way
I'll be okay, okay, okay
Cause You got me in Your hand

There's a day coming
There's a day coming
There's a day coming I'll see Your face

[x3]

I'm a stranger in this land
There's a narrow road ahead
No matter what comes my way
I'll be okay, okay, okay
I will keep my eyes on You
Knowing You will see me through
No matter what comes my way
I'll be okay, okay, okay
Cause You got me in Your hand
Cause You got me in Your hand
