Brother I'm a fool, can't you see
Sister there's just no fool in me
Brother I'm a fool, can't you see
Sister there's just no fool in me

If time, is in motion
I'll be, high as the tide
With no peace, to speak of being satisfied

If love, is a language,
I will cut out my tongue
No use for singin' the songs already been sung

If Spring has the answer,
lonely women,
you'll be on my mind

Brother I'm a fool, can't you see
Sister there's just no fool in me
Brother I'm a fool, can't you see
Sister there's just no fool in me

The faith, of a sea
Could move a mountain indeed
Brother I'm a fool, can't you see

Peace, like a river both deep and wide
Stand on the banks and watch her pass me by
If love has an answer, then mamma you'll be on my
mind

Brother I'm a fool, can't you see
Sister there's just no fool in me
Brother I'm a fool, can't you see
Sister there's just no fool in me

Brother I'm a fool, can't you see
Sister there's just no fool in me
Brother I'm a fool, can't you see
Sister there's just no fool in me

Brother I'm a fool, can't you see

Sister there's just no fool in me
Brother I'm a fool, can't you see
Sister there's just no fool in me
