Hook: I was walking the hallway all alone, and i saw my old friends walking home, um, what did i do, what did i do, cause i need, a, friend, and i dont know what to do!

Verse 1: They said they'd never leave me, but i was the fool to believe em, while im walking the streets all alone, and these ni**** neva asked where i was going. Cause, I said, F*** em, dont need em, duck em, and when these birds walk up to me, said cluck em, pluck em!

Cause they abandoned me in my time of need, and i need a friend, but i guess some time with some people end.

We, we got history, we, we, we, we got chemistry.

Verse 3: She said I'll neva love you, wonder was this true, keep a couple ni**** like a bad B**** do.
Wonder out of element, but that is the relevant, and she so, so confident, she got me like mesme-en.
Sometimes, i wonder, did we meet, in the sky? (4 second pause.) Cause ya lovin so sweet, it got me high.

Verse 4: We got chemistry, do it like mecca-tei, oh is this cool, cause you got me wondering.
Love ya so much, it make me sick, but ya venom so sting, it make me spit, s***.
Oh! It's over here, i am right here, but we got chemistry, dig it?
