I got your letter from the postman the other day
So I decided to write this song
Just to let you know exactly the way I feel
To let you know my love's for real

Ref.:

Because I love you, and I'll do everything
I give you my heart, my everything
Because I love you, I'll be right by your side
To be a light, to be your guide

If you should feel, that I don't really care
And that you're starting to lose ground
Just let me reassure you, that you can count on me
And that I'll always be around

Ref.:

Because I love you, and I'll do everything
I give you my heart, my everything
Because I love you, I'll be right by your side
To be a light, to be your guide

Because I love you, my heart's an open door
Oh won't you please come on in
Because I love you, I'll be right by your side
To be a light, to be your guide

If you should feel, that I don't really care
And that you're starting to lose ground
Just let me reassure you, that you can count on me
And that I'll always be around

Ref.:

Because I love you, - I'll do everything
I give you my heart, my everything
Because I love you, I'll be right by your side
To be a light, to be your guide

Because I love you, my heart's an open door
Oh won't you please come on in
Because I love you, I'll be right by your side
To be a light, to be your guide
