i walk off and see demons in my dreams  
seekin for children who be weepin  
nothin i can do now that im sleepin  
many of them is seepin in blood and fiendin  
nobody knows what im thinkin  
and nobody knows tha whole meanin  
broken shoulders and knees now you believin  
god neva seen me even though im an arch angel  
bleedin  
lookin for someone gleamin  
killin off the season  
4 a phukkin reason  
to get you in a cezure and grievin  
sorry theres no offer of treason  
especially since im succeedin  
exceedin as an executioner  
wit loose nooses to rip right through  
yacked out off allotta booze  
seduced by the devils recrcuit  
but now i got medusa to excuse you

evil thoughts is what i got  
red assassins gun is blastin  
evil thoughts put you in a coma  
red assassin aint about action

you neva can produce  
gangstas to shoot  
as lon as they all true  
give orders from the leada  
then they'll neva see ya  
im in the gutta as a gunna  
killin #s 1 2 & 3 stunnas  
rippin off drug runnas  
my one man mission  
to give lasts breaths wit death  
searchin for the stressed  
then phukk the rest  
when we blast at your chest  
penetrating twice as fast through that vest  
just let the lead of my bullet express  
then compress your organs

as we're wrapping cords around you neck  
eyes clothes his breath lets go

evil thoughts is what i got

let him drop to the floor  
see you in hell in a few centuries or so red assassins  
gun is blastin  
evil thoughts put in a coma  
red assassin aint about action
