Baby, save me from this heart of mine
I'm begging you, baby, save me from this heart of mine.

Is taking over, I can't sleep at night
Is taking over, I'm in love, I can't lie.
Don't wanna stop the way that I feel inside.
Do something to help me, only you can make it right.

Baby, why don't you save me from this heart of mine?
I'm begging you, baby, save me from this heart of mine.

I think about you everywhere that I go
What am I missing, why am I needing you so?
No way to stop the pain, I'm losing control,
Bring your love, I'm back, never let me go.

Baby, why don't you save me from this heart of mine?
I'm begging you, baby, save me from this heart of mine.

What do I do, what do I say to stop myself from getting carried away?
Falling for you, my heart can't be safe, I'm desperate,
begging just let me be.

Is taking over, I can't sleep at night
Is taking over, I'm in love, I can't lie.
Don't wanna stop the way that I feel inside.
Do something to help me, only you can make it right.

Baby, why don't you save me from this heart of mine?
I'm begging you, baby, save me from this heart of mine.

Baby, why don't you save me from this heart of mine?
I'm begging you, baby, save me from this heart of mine.

I'm begging you, baby, baby,
I'm begging you baby, baby...

I'm begging you, I'm begging you
Come back, baby, come back, baby.
