i pretend that i don't care  
when you know that i do  
cause' every step that i re-trace  
always leads me back to you  
so how can you say that you want me to stay  
as i board the plane  
show me if you want it  
and you feel it cause' i know  
that i'm somewhere in your soul  
give me a reason to love you  
give me a reason not to go  
home  
and this is something you don't know  
truth is  
i don't know myself  
but alls i know when i'm with you  
i don't want nobody else  
so how can you say that you want me to stay  
as i board the plane  
then show me if you want it  
and you feel it cause' i know  
that i'm somewhere in your soul  
give me a reason to love you  
give me a reason not to go  
and this might sound crazy  
but i loved you all along  
so just humour my sense  
as i sing this song to you  
and show me if you want it and you feel it cause i know  
that i'm somewhere in your soul  
and give me a reason to love you  
and give me a reason not to go  
ohh give me a reason not to go  
home  
ohhhh home  
hooommee  
mmmm...
