Amazing Grace came in the form of a slap in the face  
Now I don't believe what I see anymore  
'Cause it's all the same,  
We wander in and out of love like it's meant to scar us  
And we never place blame  
No we never think to change

But don't tell me that I'm wrong  
You know I'm not that strong  
And I never thought that loving you  
Could hurt for so long  
And I worshipped you  
And I praised your name  
And I lived through you like a messiah

While saving face I let my pride console me  
When you refused to hold me  
And I never placed blame  
And then one day it just occurred to me  
That you talked and never heard me  
And I stood by and never changed  
No we never think to change

But don't tell me that I'm wrong  
You know I'm not that strong  
And I never thought that loving you would hurt for so  
long  
And I worshipped you  
And I praised your name  
And I lived through you like a messiah  
(M-e-s-s-i-ah)

No no no  
And I worshipped you  
And I praised your name  
And I lived through you like a messiah  
And I bled for you  
And I screamed your name  
And I lived through you like a messiah  
And I bled for you  
And I screamed your name  
And I lived through you like a messiah.
