Somewhere in the country side  
Someones mamma's gonna cry  
Someones daddy's gonna lose  
Some sleep tonight

Deep within the nations pride  
The sacrificing human life  
Blood is spilled without a dime inside

Twilight girls angels in the night  
Want to give their families life  
Hope is fading in their eyes  
Twilight girls don't give your hearts away  
Remember theres a part of you  
That no amount of pain can ever break  
I'm so sorry that it's come to this  
I'm sorry that the world is such a mess  
But God don't love you any less

Deep within every child's dream  
There is a faith in everything  
There grows a trust in all that life will bring  
So how come we detach ourselves from what we see  
It's not my tragedy, no it's not my misery  
Twilight girls angels in the night  
Want to give their families life  
Hope is fading in their eyes  
Twilight girls don't give your hearts away  
Remember there is a part of you  
That no amount of pain can ever break  
I'm so sorry that it's come to this  
I'm so sorry that the world is such a mess  
But God don't love you any less
