you keep crying on the phone  
so why don't you come home  
so we can talk about the things that i did wrong  
again...  
somehow i'm always givin' in  
but i don't what to say to make you stay  
and i don't know how to play, the games you play  
but i can't cry anymore  
so what's this for  
if you want to leave  
leave...  
cause' everyone here knows that i would lay down here  
and die  
to make you smile  
my timings never right  
it's no surprise  
no surprise that i've been up all night  
and i don't know what to say to make you stay  
and i don't know how to play the games you play  
but i can't cry anymore  
so what's this for  
if you want to leave  
leave...  
so hey this ain't so bad  
just look of all the fun we've had  
we fight to much we're out of touch  
you're free  
and you know the way it goes  
go ahead lay it all on me  
la la la la llaa laa llaa llaa llaa la la  
la la la la la la  
llaa yea yea yea  
yeaa  
but i don't know what to say to make you stay  
and i don't know how to play the games you play

no i don't know what to say to make you stay  
and i don't know i don't know i don't know what to say  
to make you stay

and i don't know what to say to make you stay

and i don't know how to play the games you play  
but i can't cry anymore  
so what's this for  
if you want to leave  
leave...

laalaa llaa llaa llaa yaaa yaaa  
leavvee leeeavvee leeeavvee

i don't know what to say  
and i don't know how to play  
i can't cry anymore  
so what's this for

i don't know i don't know i don't know how to make you  
stay
