Verse 1

Iâ€™m bathing in sound under a Grecian moon
Listeninâ€™ to the words of my favorite tune
Winter chills the other hemisphere
While I dance barefoot without a care

Refrain

Iâ€™m so blessed to be here, so blessed to be here

Verse 2

I eat the food of kings and queens
Drink a wine from crystal streams
Lounge in fine linens with my fair lady
Make love under the Grecian moon

Refrain

Iâ€™m so blessed to be here, so blessed to be here

Bridge

All my roads lead to paradise
My life shanâ€™t rest on the fall of dice
Make it what you will (X2)
