Verse 1

Sowing a seed of change to break out on your own
The moment is here now to make the world your home

Pre Ch

Don't fight it, or try to guide it
There's only one way to make it out alive

Chorus

Let's fly a long way from home, we're getting out
Flying a long way from home & we're not coming
back

Pre Ch

Verse 2

We're all spinnin' our life's slippin'
Thru the cracks of ignorance
It's all broken still my hearts open,
In this tangled game of chance
