Verse 1

Tonight it's late and were sitting in my car (down)

The stars are close but lost in outer space (up)

I say goodnight, but the words got in the way

I broke your heart with the pain I can't erase

Pre Ch

I called you someone else's name, things will never
be the same,

I can't go back and change the words, 2 letters off
and Now she's heard, now she's heard, now she's
hurting

Chorus

Let me make it up to you, I'll do whatever I can do,

Let me make it up to you, yeah I'm so far down

But I'll make it up to

Verse 2

You're here with me but a million miles away

The song is clear but don't know what to say

I feel you breathe but I can't find the air

I found the words but lost you sitting there (cause)
