(What we talking bout)

Chorus:

(Hip Hop) Need it just to survive (yea)

(Hip Hop) Need it just to ride (yea)

(Hip Hop) Need it just to stay alive (yea)

And gunna keep bangin (Hip Hop) till the day that i die

Verse 1:

Yea thats truth and we all know truth equals freedom

And my music so free its a freedom museum

and my flow on top of flow is just so equal

and thats exactly how i treat all of my (people)

yea so what we gunna do now

switch up my verses and corrupt my style

No thanks i wont go (down like the dow)

So im asking help from my government now

Wait wait one second who'd i just say i would ask

im better of speakin twoards a feild of grass

because there misconceivings are so deceiveing

always causing disrace to our state of faith and fate

so gvt. i hope theres no hostility between you and me

Im just busing on the scene

And i just thought id use this contreversy

To help me become a leader

And build up my name

dont really care bout fame

just wanna hit up the show and my words they all would know

but you dont even know that would be my dream

and i gotta the lord for this life ill be getting

and the happiness it'll bring to you and to me

becuase my music inspires all of us just to see

the truth in life and i call hip hop my wife

so bring on the marriage

the house and the carriage

Chorus:

(Hip Hop) Need it just to survive (yea)

(Hip Hop) Need it just to ride (yea)

(Hip Hop) Need it to stay alive (yea)

And gunna keep bangin (Hip Hop) till the day that i die

Verse 2:

Yea and i aint in no hip hop mode  
im in the hip hop zone  
and its all on my brain and it aint gunna explode  
because its something i can contain  
so yea yea do you understand me main  
this sound is so not lame i think its quiet great  
but im trying to humble myself and not pay attention to  
hate  
so with any further adew and any more delay  
im gunna hop in this dilorian and head back to the  
future today
