Hope she hasn't changed the number
Cause I just have to call her
Take my trembling finger Lord
Help me to dial
I was such a fool to leave her
I've learned how much I need her
Be home Sweet Melinda
I'll apologize in style

Sweet Melinda, Turn back the hands of time
Sweet Melinda what do ya say
Sweet Melinda, Let me love you back tonight
I was crazy to hurt you, Let me love the hurt away
As I donate this thin dime

The sound of Sweet Melinda's sweet hello is loud and
clear

Repeat Chorus:
