Tell me why  
Why have I to cry  
Everytime we say goodbye  
Tell me why

Tell me why  
Ends it tonight  
Why wanted you retry  
Tell me why

REFRAIN  
If you can hear me  
Give me a sign  
It's been such a long time - without you  
Every night I pray That I'll meet you again someday  
Maybe in an another life

Tell me why  
Should my sorrow passing by  
If I loved you why should I lie  
Tell me why

Tell me why  
My life's so low and so high  
We'll never get a second try  
Tell me why

REFRAIN  
If you can hear me  
Give me a sign  
It's been such a long time - without you  
Every night I pray  
That I'll meet you again someday  
Maybe in an another life

Tell me why  
Why do I cry  
Everytime we say goodbye  
Tell me why
