[VERSE 1:]

Peaceful feelings from beyond the grave  
Curtains drawn to afford the shade  
Oh' we've heard good things from the lovers  
Everyone's got to go to sleep  
Everyone some day will die  
But the lovers have told us they live in forever Ohhhh

[CHORUS:]

But don't you count all your blessings be-fore they  
happen  
Or they won't happen at all  
You've got to live for your blessings  
Or they won't happen no  
They won't happen at all

[VERSE 2:]

Peaceful feelings from beyond the grave  
My faith is swooping but I have not changed  
It just wilted and fell off the moment that I died  
Peaceful feelings from beyond the grave  
All the lovers are lucky they've got is middle  
But our lives become short by accidents

[CHORUS:]

Whoa, don't you count all your blessings be-fore they  
happen  
Or they won't happen at all  
You've got to live for your blessings to make them  
happen  
Or they won't happen at all  
Oh' don't you count all your blessings be-fore  
Or they won't happen at all  
You've got to live for your blessings  
Or they won't happen no  
They won't happen at all
