You walk on in and my heart catches fire
My head explodes with visions of desire

Mmm, you touch my heart, oh you
You tear me apart
I can?t even think
You touch me and I, I

I get so excited
I get so excited
I get so excited
In your arms

Within our love there is no compromise
Boy can?t you see seduction in my eyes, mmm

So climb right on in
You know, our love?s not a sin
You can kiss all of me
?Cause you?re my ecstasy, and

I get so excited
I get so excited
I get so excited
In your arms

I get so excited
I get so excited
I get so excited
In your arms

You and me, so excited
You and me, so excited
You and me, so excited
You and me, so excited

You, me
(Mmm)
You, me
(Yeah, heh)
You, me
(Mmm)

You, you

So climb right on in
You know, love's not a sin
You can kiss all of me
'Cause you're my ecstasy

But I get so excited
I get so excited
I get so excited
In your arms

(So excited)
Excite me baby
(So excited)
You know you can do it
(So excited)

Whoah yeah
Whoah yeah

So excited
So excited
So excited

You know you can do it
You know you can do it
You know you can do it
You know you can do it
