Ooo, ooo

Ooo, ooo

Gather round people I just dreamt of this song  
About all the World gettin' along  
Human rights, no shallow graves  
Politician's speak the truth, no one's got Aids

I look at a Muslim, embracing a Jew  
Everyone's eating everyone's food  
Free from diseases, ain't no Third World  
Love is the message, love is the word

This is my island  
(Island)  
My fantasy  
(My fantasy)  
My fantasy  
(Fantasy)

This is my island  
(Island)  
My fantasy  
(My fantasy)  
My fantasy  
(Fantasy)

There's a welcome mat at the centre of the earth  
No sign of hate, a four-letter word  
The children are playing in air you can breathe  
People got dreams, people achieve

Everywhere's music, sunshine and laughter  
We still feel the same the morning after  
Words in the air, love in the heart  
This is my dream, a brand new start

This is my island  
(Island)  
My fantasy  
(My fantasy)  
My fantasy

(Fantasy)

This is my island  
(Island)  
My fantasy  
(My fantasy)  
My fantasy  
(Fantasy)

This is my fantasy  
This is my fantasy  
This is my fantasy  
My fantasy

This is my fantasy  
This is my fantasy  
This is my fantasy  
This is my fantasy

Believe in me baby

Say, what have we got  
(Oh)  
We got the power  
(We got the power)  
Got sixty seconds  
(Oh)  
Got every hour  
(Every hour)

Say, what have we got  
(Oh)  
We got the power  
(We got the power)  
We are the spark to light the fire  
(Oh)  
(To light the fire)

Got one blood, got one skin  
Got one soul deep within  
Got a heart beating fast  
Got a dream got no past

Say, what have we got  
(Oh)  
We got the power  
(We got the power)  
Got sixty seconds  
(Oh)  
Got every hour  
(Every hour)

Say, what have we got  
(Oh)  
We got the power  
(We got the power)  
We are the spark to light the fire  
(Oh)  
(To light the fire)

Got one blood, got one skin  
Got one soul deep within  
Got a heart beating fast  
Got a dream got no past

Say what have we got

This is my, this is my  
This is my fantasy  
This is my, this is my  
This is my fantasy

This is my island  
(Island)  
My fantasy  
(My fantasy)  
My fantasy  
(Fantasy)

This is my island  
(Island)  
My fantasy  
(My fantasy)  
My fantasy  
(Fantasy)

This is my fantasy  
This is my fantasy  
This is my fantasy  
My fantasy

This is my fantasy  
This is my fantasy  
This is my fantasy  
This is my fantasy
