I enter the temple of holy love  
And shout your name to God above  
I tell myself this is no game  
I only hope you feel the same

They say that, "Love's a two way thing  
And of all of the pleasures it may bring"  
But our love will never be  
Until you give yourself to me

How can I love you more?  
How can I love you more?  
Please tell me  
How can I love you more?  
I'll give you a love so pure

Loosing you would make me feel  
Helpless, weak, alone, unreal  
Life I could not contemplate  
I need your love don't make me wait

Don't tell me it's not enough  
I tried so hard, don't be so tough  
I've never felt this way before  
I'm sick and baby, you're my cure

How can I love you more?  
How can I love you more?  
Ooh baby  
How can I love you more?  
I'll give you a love so pure

How can I love you more?  
How can I love you more?  
Ooh baby  
How can I love you more?  
I'll give you a love so pure

How can I love you more?  
How can I love you more?  
Please tell me  
How can I love you more?

I'll give you a love so pure
