Woman, woman, so smart  
Woman, woman, so smart  
Woman, woman, so smart  
Woman, woman, so smart

Things are never what they seems  
You go through life dreaming to drive you on  
Love and tears, laughter, fears, all those years  
To find out what's right or wrong

So dear boy don't tell me lies  
'Cos to those tricks you know I'm so wise  
If you cannot treat me right  
Leave me now to lead my own life

Man smart, but woman smarter baby  
So don't mess this girl around  
Man smart, but woman, woman smarter baby  
So don't mess this girl around, don't you mess me  
around, mmm

Seasons pass and times they change  
And you could be a phase that I'm going through  
All our thoughts and all our deeds,  
You must share to prove that your love is true

Come on show me face to face  
Or watch your love sink without trace  
Can you change my life for me?  
Show me boy or you are history

Man smart, but woman smarter baby  
So don't mess this girl around  
Man smart, but woman, woman smarter baby  
So don't mess this girl around, don't you mess me  
around, mmm

Woman, woman, so smart  
Woman, woman, so smart  
Woman, woman, so smart  
Woman, woman, so smart

Man smart, but woman smarter baby  
So don't mess this girl around  
Man smart, but woman, woman smarter baby  
So don't mess this girl around, don't you mess me  
around, mmm

Woman, woman, so smart  
Woman, woman, so smart  
Woman, woman, so smart  
Woman, woman, so smart
