Ahh, ahh, ahh
Ahh, ahh, ahh

Our love
Our love
Our love
Is a natural thing

Our love
Our love
Our love
Is a natural thing

Take a breath and wonder why
Such things exist at all
A moment in time
A love so sublime
Like a yellow field in June
An eclipse of the moon
A river flowing through the land
A boy and girl are holding hands
(Aah, aah)

Our love
Our love
Our love
Is a natural thing

Our love
Our love
Our love
Is a natural thing

Like water from a spring
It's such a natural thing
Like water from a spring
It's such a natural thing

Our love
Our love
Our love
Is a natural thing

Nothing can compare with this
In our state of natural bliss
A moment in time
A love so sublime
The sea that crashes to the shore
What we have is, oh, so pure
A woman giving birth
Flowers growing from the earth
(Aah, aah)

Our love
Our love
Our love
Is a natural thing

Our love
Our love
Our love
Is a natural thing

Like Picasso with a brush
I get that natural rush
Like water from a spring
It's such a natural thing

Our love
Our love
Our love
Is a natural thing

If you're so natural, natural, natural
Natural love
If you're so natural, natural, natural
Natural love

Our love
Our love
Our love
Is a natural thing
(Yes, it is)

Our love
Our love
Our love
Is a natural thing
(Oh baby)

Our love
Our love
Our love

(Hmm, hmm, hmm)
Is a natural thing

Our love
(Natural)
Our love
Our love
Is a natural thing
(Oh baby)
(Yes, it is)

Our love
Our love
Our love
Is a natural thing
(Yea, yea, yea)

Our love
Our love
Our love
(Hmm, hmm, hmm)
Is a natural thing
(Natural thing)

Our love
(Natural)
Our love
Our love
Is a natural thing
