Hard to imagine the blood that's runnin' through the veins

Nothin? but trouble, inside of me liberty in chains
Born to a nation, the children and their innocence
An idiot wind blows through this land
Dear Lord give me strength

Breakin? out of the skin, need some rhythm and blues
Coming deep from within, it?s those rhythm and blues
Breakin? out of the skin, need some rhythm and blues
Coming deep from within, it?s those rhythm and blues

Down in the ghetto, marking time with self-belief
Babylon voices, square-eyed dreams of dignity
Feeling the pressure, searching for another place
Lift up our voices, use our minds we will be released

Breakin? out of the skin, need some rhythm and blues
Coming deep from within, it?s those rhythm and blues
Breakin? out of the skin, need some rhythm and blues
Coming deep from within, it?s those rhythm and blues

Rhythm come from within
Breaking out deep from within

The sunshine in our eyes, my skin in a different disguise
The sunshine in our eyes, my skin in a different disguise
The sunshine in our eyes, my skin in a different disguise
The sunshine in our eyes, my skin in a different disguise

Breakin? out of the skin, need some rhythm and blues
Coming deep from within, it?s those rhythm and blues
Breakin? out of the skin, need some rhythm and blues
Coming deep from within, it?s those rhythm and blues

My rhythm and blues
My rhythm and blues
Feel it deep within my skin

My rhythm and blues
Feel it deep within my skin

My rhythm and blues
My rhythm and blues
My rhythm and blues
My rhythm and blues
