Sometimes the river flows but nothing breathes  
A train arrives but never leaves  
It's a shame  
Oh, life like love that's walked out of the door  
Of being rich or being poor  
Such a shame

But it's then, then that faith arrives  
To make your feelings alive  
And that's why (why) you should keep on aiming high  
Just seek yourself and you will shine

Chorus:  
You've got to search for the hero inside yourself  
Search for the secrets you hide  
Search for the hero inside yourself  
Until you find the key to your life

In this life, long and hard though it may seem  
Live it as you'd live a dream  
Aim so high  
Just keep the flame of truth burning bright  
The missing treasure you must find  
Mm, mm, mm

Because you and only you alone  
Can build a bridge across the stream  
Weave your spell in life's rich tapestry  
Your passport to a feeling supreme

Chorus

You've got to search inside yourself  
Deep, deep down inside yourself, yeah  
You've got to search inside yourself

Chorus

Search for the hero inside yourself (oh, yeah, yeah,  
yeah)  
Search for the secrets you hide (all of the secrets you  
hide)

Search for the hero inside yourself (you'll find the hero)  
Until you find the key to your life

You've got to search inside yourself  
You've got to search
