"(Star Trek) Enterprise Theme Song"

Visit "[\(Star Trek\) Enterprise Theme Song](#)" on MotoLyrics.com

It's been a long road

Gettin from there to here

It's been a long time

But my time is finally here

And I will see my dreams come alive at night

I will touch the sky

And they're not gonna hold me down no more

No they're not gonna change my mind

(Chorus)

'Cause I've got faith of the heart

I'm going where my heart will take me

I've got faith to believe

I can do anything

I've got strength of the soul

No one's going to bend nor break me

I can reach any star

I've got faith

I've got faith

Faith of the heart
