Why did you go?
Why did you turn from me
When all the world it seemed to sing?
Why, oh why, did you have to go away from me?

Now come away into my waiting arms,
Into a dream that you bring magically to life.
Outside the circle of relentless cold dead eyes
Rise above their world of lies.

And I hear a whirr of wings above you
Whilst Lords in red float just above you.
Grasp the season of a million shining stars
And recognize the gift that you are.

Don't let it all come crashing down
Like hounds upon the hare.
Don't let it all come crashing down
Like hounds upon the hare -
Like hounds upon the hare.

Now we can walk humbly along the outer edge
Far from a prelude to fatigue.
Awake the child lost in his slumber -
Introduce love to another.

Now how can a heart that's filled with love begin to cry?
When all the world it seemed so right?
And how could we let our love die
Like hounds upon the hare?

Don't let it all come crashing down
Like hounds upon the hare.
Don't push me down -
Don't push me down
Like hounds upon the hare.

Don't push me down -
Don't push me down
Like hounds upon the hare.

Come away into my waiting arms

Like hounds upon the hare.
