Control

We lie you buy, We lie.
Die muthafucker,
You lie muthafucker
just try muthafucker, but it's all in vain
I watched you die inside,
my mind you die.
Lies, your lies burn my eyes.
Fetid and abetted by the corporate lies
Wallow and swallow their filthy lies.
Die muthafucker,
You lie muthafucker
just try muthafucker, but it's all in vain
Lies, your lies burn my eyes.
Lies, die inside my mind.
Wallow and swallow their filthy lies.
Fetid and abetted by the corporate lies
Wallow and swallow their filthy lies.
I watched you die inside,
my mind you die.
Wallow and swallow their filthy lies.
Lies.
