base head bitches creeping up on me, base head  
bitches all over me  
base head bitches want to rock tonight, base head  
bitches got cocked alright  
I'm a man, I have needs, so bend over baby and give  
me a light  
I can't get it up unless I hit the pipe, so score some  
crank and lets rock tonight

You got to work that cock if you want some rock You got  
to work that kitty to stay on top  
You got to work that cock if you want some rock You got  
to work that kitty to get on top  
Your going down boy, Going down girl Going down like  
it ain't no thing  
Your gonna crash gonna crash gonna crash and your  
going down

oh yea daddy sliding up on me oh yea daddy wants to  
play in me
