We are the hoard
and we are the reams
we are the cancer eating your dreams.
Hey muthafucker can't you see
what your non stop bullshit's
doing to me.
Hey muthafucker why can't we be
got the low down, blown down
talking at me.
We are the hoard and we are the hand
we are the cancer raping the land.
I've listened to your muthatfucking hypocrisy.
I've lived in your so called democracy.
I've worshiped at your sanctified theocracy
and now I've got some doubt.
Look at the action.
See the attraction.
Watch my reaction.
look at the action.
watch...
